Education

Maharishi Markandeshwar University, Mullana

B.Tech (CSE)

Ambala, Haryana

Jul 2019 – Jul 2023

Hari Bhumi Public School (BSEH BOARD)

Senior Secondary (XII), Science

Jind, Haryana

Jun 2019

Experience

ADP PVT LTD

Member Technical

Aug 2023 - Sept. 24

Hyderabad

- Gained hands-on experience in **Javascript(ES 6+), React js ,Node js** and **DSA (Python)**
- Implemented user authentication, expense categorization, receipt management using **Custom APIs** .
- Exhibited strong attention to detail and collaboration skills by fixing numerous **Front-end bugs**, improving overall application stability which increases the code by 30%
- Implemented **Tailwind CSS** for streamlined frontend development, optimizing code efficiency and enhancing UI design which reduces the cost of the team by 20% .

Projects

Employee Calendar for Time and Attendance Management |

- Built and deployed a comprehensive Employee Attendance Management System with clock-in/out, real-time tracking, leave and overtime management via a web-based application, integrating payroll logic for automated salary calculations.
- Ensured compliance with labor laws and data security, reducing administrative tasks by **25%** and improving workforce efficiency by **20%** with a user-friendly web interface.
- **Front-End: React.js, Tailwind CSS, HTML, JavaScript.**
- **Back-End: JWT, Node.js, MongoDB, Express.js;** and **Postman** for API testing to build a scalable platform.

Workflow Request Interface |

- Demonstrated proficiency in full-stack development by leveraging **JavaScript, React.js, HTML, CSS, JWT, and Node.js** to create a seamless and user-friendly interface.
- Implemented **Dynamic filters** to screen qualified candidates, optimizing the hiring process.
- Integrated real-time analytics to provide insights on candidate application trends, enabling data-driven decisions and optimizing the hiring pipeline.

Certifications

The Front-End Web Developer Bootcamp

Node.js: All You Need to Know with Practical Project

MERN Stack Bootcamp

Technical Skills

Languages: Python, JavaScript, ReactJS , NODEJS, HTML/CSS

Frameworks and Tools : Redux-toolkit, Tailwind CSS, Express.JS, MongoDB , Figma, Firebase

Tools: Github, Git, Visual Studio ,Pycharm

Achievements

Codechef 3 Star Coder (Python)

JEE MAINS 2019

Inter-Collage Volleyball 2019
